MORGAN PARK
HIGH SCHOOL

Having to sever connection with educational work in general and with Morgan Park High School in particular brings a flood of thoughts which cannot be adequately expressed in words.

It has always been one of the greatest satisfactions of my life to deal with young people for what I can offer them of understanding, encouragement, and help. If I have been instrumental in encouraging boys and girls to continue their education, or have inspired them to develop higher ideals, or have helped them toward better citizenship in our great democracy, I feel that my life work shall have been successful.

My years with you at Morgan Park High School have been happy years, filled with friendliness, a fine spirit of cooperation, and the satisfaction of achievement. With much pleasure I have seen among the student body the growth of pride in our academic achievements, an increasing loyalty and love of our school, and an excellent attitude of mutual cooperation in worthwhile activities.

It is with deep regret that I leave this school with its fine boys and girls and its capable and friendly faculty, and I can truthfully say with the poet, "Parting is such sweet sorrow."

HARRY L. TATE

To our beloved principal

HARRY L. TATE

in appreciation

for his excellent leadership,

in gratitude

for his kindly understanding,

in admiration

for his fine ethics,

we dedicate this annual.

Planning his day

"Cap"

LORENTZ

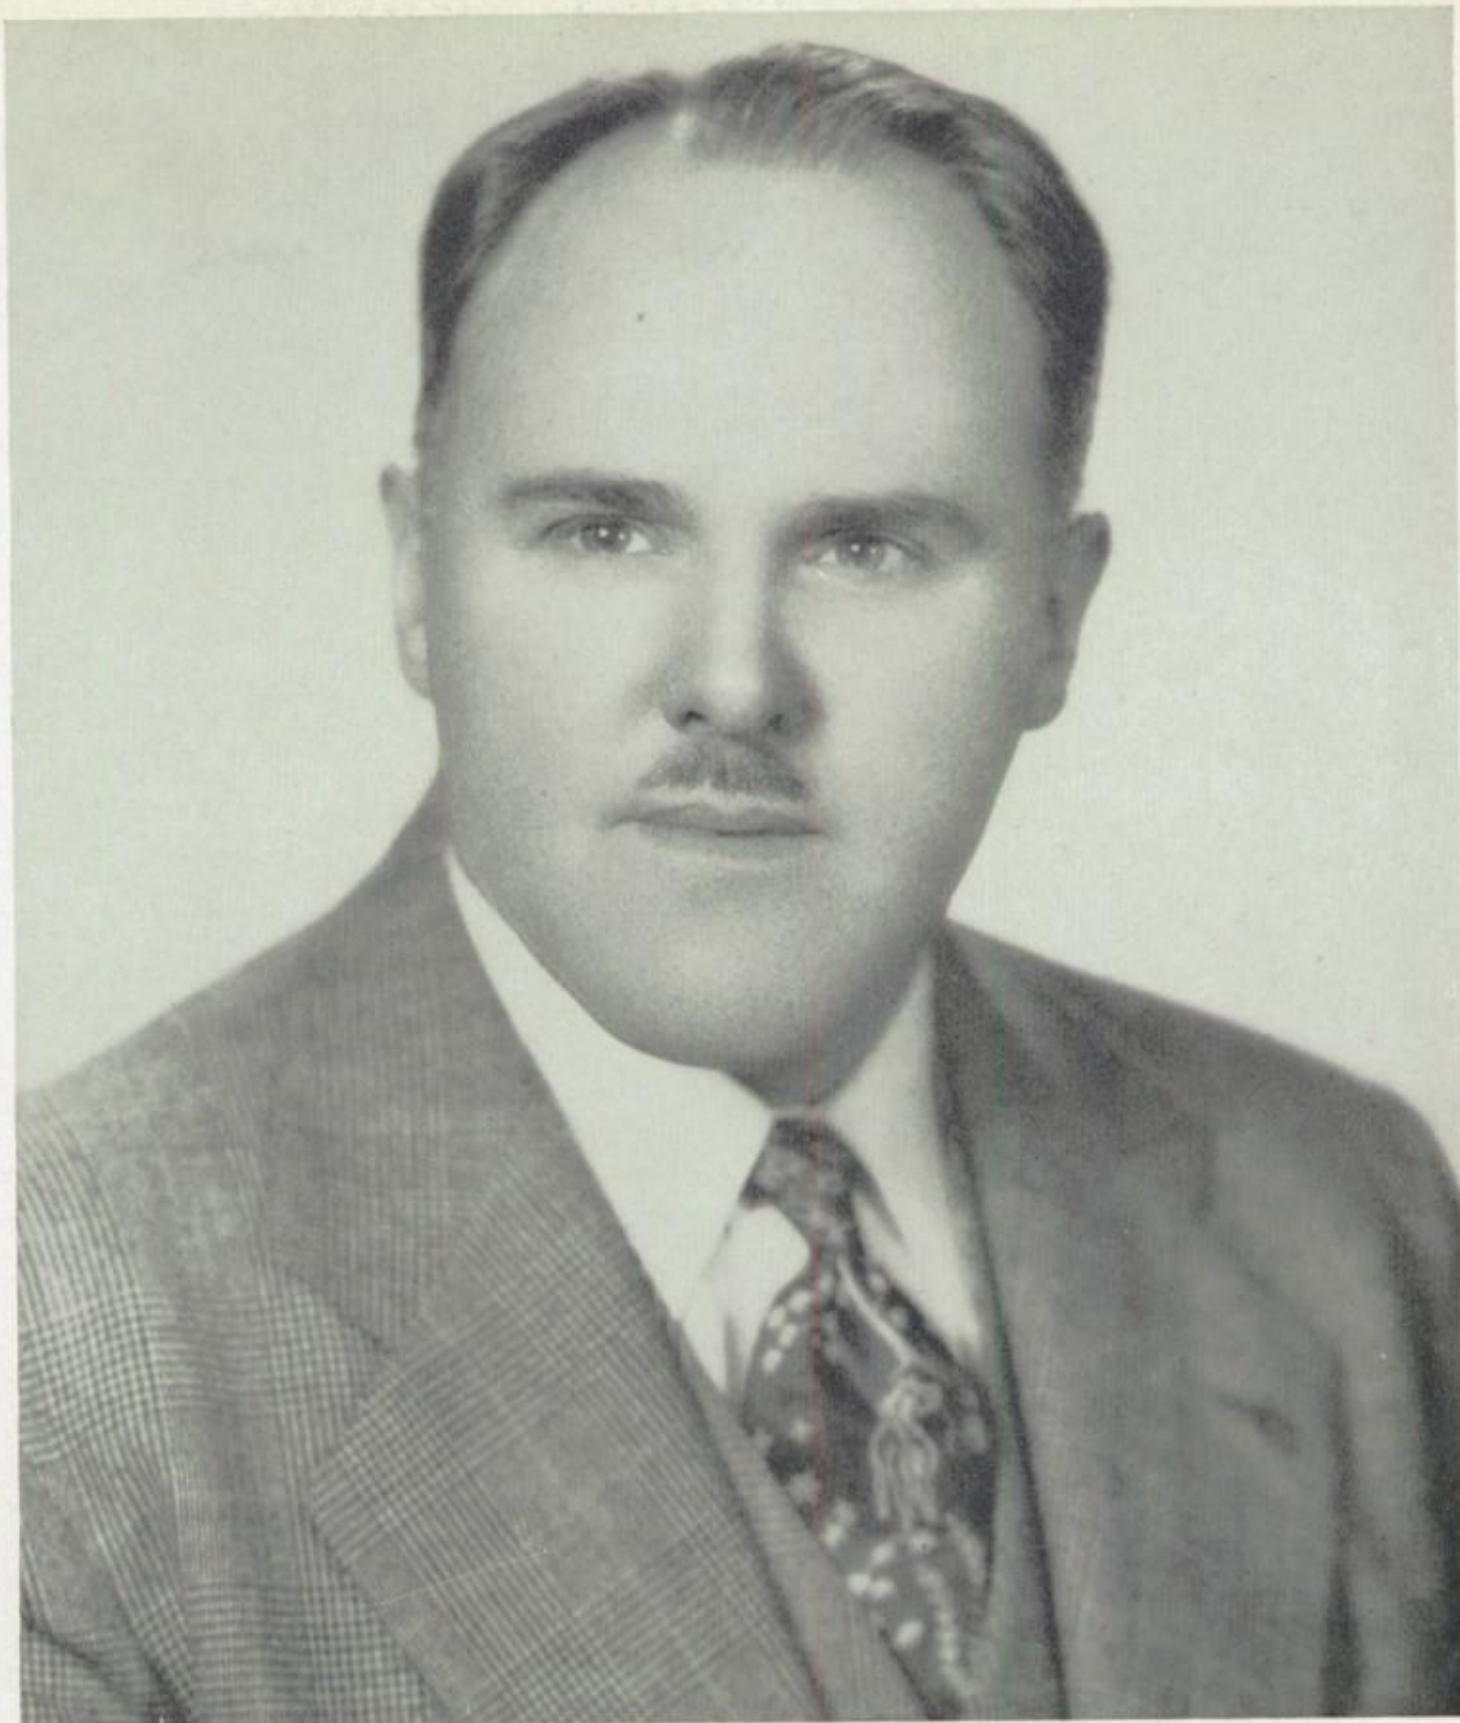

Meet "the most unpredictable character at Morgan Park". These words of Mr. Tate describe our assistant principal, Mr. George G. Lorentz, or "Cap", as he is better known to all.

"Cap" is always ready to pull a stunt on someone, but he is twice as ready to laugh if the joke is on himself. His quick wit and abilities as a magician have added many hours of enjoyment to all Empehites.

Seriously, "Cap" is a sympathetic and understanding friend to those who find themselves in trouble or in need of advice.

W E L C O M E

It was an important day in February when Richard C. McVey came to Morgan Park. We wondered what kind of a man had succeeded our beloved Harry L. Tate, but we soon learned to know, honor, and respect Mr. McVey as our friend and principal.

Our new leader has already demonstrated his fitness as an outstanding educator. His first position was that of assistant principal at Marseilles, Illinois, where he taught science and mathematics, and coached the track team. From his next school, which was Blue Island, he went to Austin, where he spent twelve years as an administrative assistant. His years as an instructor at Chicago Teachers' College were followed by his appointment as principal of the Vanderpoel Elementary School, which he left to come to Morgan Park.

In the brief time Mr. McVey has been with us he has expressed appreciation of the fine attitude and the outstanding morale of the student body.

In Memoriam

Daniel J. O'Connell

. . . . Teacher, writer, accountant, lawyer, counselor, and friend. Cruel frailty of body did not impair his fine intellect or dim his appreciation and understanding of youth and its problems. To his students and co-workers he has left a legacy of good example and kindly advice. His sense of humor in face of physical handicap, and the inspiration he gave his students will keep his memory ever fresh and lasting.

SENIORS

Hugh Claycombe

J A N U A R Y

The January Class of 1952 was lead through an eventful semester by its very capable officers: Ken Curtis, president; Helen Crider, vice-president; Beulah Blacksher, secretary; and Barbara Weir, treasurer.

Ken presided over the Senior Council, which consisted of elected division representatives. The Senior Prom and Banquet were planned by Helen Crider; Barbara drew up the budget and collected the dues, and Beulah was kept busy recording the activities of this busy group.

Row 1: Crider. Row 2: Curtis, Kemmler. Row 3: Hardy.

PERSONALITIES

The National Honor Society, Annual Staff, and class Valedictorian were only a few of HELEN CRIDER'S extra curricular interests. Editing the newspaper and presiding over the National Honor Society kept ARLENE KEMMLER busy during her senior year. MIKE HARDY was known for his work as president of the Boys' Emblem Club, director of the S.B.I., and co-captain of the football team. As president of his class and co-captain of the senior swimming team, KEN CURTIS was an all-around favorite.

The June class of 1952 was proud to have as its officers, Travor Beste, president; Carle Maier, vice-president; Irene Matthews, secretary; and Lois Smisek, treasurer.

Travor appointed the various committee heads and presided over the Senior Council; Carle was chairman of the senior social committee; and Irene kept the minutes of all the Senior Class and Council meetings. Lois Smisek directed the financial committee, drew up the senior budget, and collected class dues.

PERSONALITIES

FRANNIE MASON, our S.A. vice-president and a member of the National Honor Society, planned the very successful S.A. dances. JOAN PRIEB, a member of Tau Epsilon, carried out most efficiently the many exacting duties of secretary of the S.A. GORDY FALES devoted much of his time to his duties as S.A. president, and yet earned membership in the National Honor Society and in the Boys' Emblem Club. DON BOSTROM was kept busy as S.A. treasurer, but he still found time to gain fame as football co-captain and as a forward on the basketball team.

STUDENT ASSOCIATION

The Student Association aims to furnish extracurricular activities for the enjoyment and benefit of the entire student body — at the lowest possible cost. This year Morgan Park's largest student organization has also taken great strides toward giving the students the kind of government they want.

With the aid of the Executive Committee, the Student Council, the Social Committee, the Board of Presidents, the Student Court and other S.A. committees, the Student Association has planned a well balanced program of assemblies, public relations and social activities.

The Annual, Newspaper, dances, movies, Junior-Senior Prom and All-Sports Night are a few of the many features offered to S.A. members. This student governing body also sponsors all the clubs and school organizations.

The officers for the past year were: Gordon Fales, president; Frances Mason, vice-president; Don Bostrom, treasurer; Joan Prieb, secretary; Jerry Groebe, athletic commissioner; and Libby Griffin, chief justice.

Mr. Curtis C. Melnick, sponsor of the S.A. for four years, left Morgan Park on February 1st to become principal of McCosh Elementary School. The S.A. officers, publications editors, and members of the Student Association wish to express their sincere appreciation for his interest in their activities, his understanding of their problems, and his willingness to be helpful at all times.

STUDENT COUNCIL

Row 1: Kennedy, Rennie, Schmock, Fales, Mr. Lorentz, Wilson, Strachan, D. Anderson. Row 2: Gillott, Brownlow, Dietrich, Atwood, Haberman, Beckman, Baker, Bergeron, Hegburg, Morthorst, Galzynski. BOARD OF PRESIDENTS

Row 1: Whitnell, Parker, Lacey, Berry, Miss Condit, Halper, Bradbury, McBride. Row 2: Weber, Schuetz, Hoeglund, Smisek, Wilson, Prieb, Weir, Roberts, Mason, Harrison, Kemmler, Herzog. Row 3: Fales, Burgin, Telfer, McKee, Haynes, Runyan, Newell, Humphrey, Bland, Hardy, Hall.

The Board of Presidents, whose head is the president of the Student Association, is composed of the presidents of all the organizations of the school. Miss Lillian Condit sponsors this group.

Acting as the school project committee, the Board selects and carries out a yearly project. This year they promoted the extension of the Public Address System through the gym. Their programs are all financed by the donations of the various clubs.

At the Board of President's annual banquet, the new Student Association officers, committee heads and club presidents are introduced. Certificates of merit are also presented to the club with the greatest number of points awarded for outstanding achievement — in each of the groups of Service, Interest and Honor.

Furthermore, the Board of Presidents is responsible for generally encouraging high standards of accomplishment in all the school clubs and organizations.

BUSINESS STAFF

Financial assistance to the newspaper and annual is provided by the Business Staff. The ads which are obtained from the business men and women of the community by members of the staff are an essential part of Morgan Park publications.

Managers of the staff for the fall and spring semesters respectively were Bob Buchanan; Chuck McKenna and John Palsedge.

Mr. Curtis C. Melnick sponsored the group until February, at which time Mr. John Cunnea took over his duties.

EXECUTIVE COMMITTEE

Every activity in school actually has its roots in the Executive Committee, of which Mr. Lorentz is advisor. The S.A. officers, publications editors, the chairmen of the Financial Promotion, Public Relations, and Social Committees, are members of this school governing body. Our S.A. promotion assemblies are sponsored by the Executive Committee.

STUDENT COURT

Row 1: Denning, Griffin, Hoeglund, Carrington. Row 2: Duffy, Hardy, Grant, Bowers, Hitzeman.

The purpose of the Student Court is to obtain the cooperation of offenders rather than to punish them. The Court consists of nine judges who are appointed by the Chief Justice, the Interior Committee Chairman, and the Director of the S.B.I. Meetings are held in the Social Room.

Maintaining order during school periods is the chief function of the Interior Committee. The object of the Student Bureau of Investigation is to protect student property.

During the fall semester approximately fifteen students were summoned to appear before the Court. Of these, only two were repeaters.

Libby Griffin, Chief Justice of the S.A., presided over the Court during the past year, with the assistance of Ronald Englund, chairman of the Interior Committee, and Mike Hardy, director of the S.B.I.

BRAINS INCORPORATED

Morgan Park's chapter of the National Honor Society maintains the principle that true education creates a well rounded personality in the development of the individual, and in his relationship with those about him. This exclusive organization is the high school equivalent of the college Phi Beta Kappa society.

The functions of the Honor Society are many. The most important are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students.

In order to become a member, one must be a senior with an "E" average, and be rated above average in the four important qualities of Character, Scholarship, Leadership, and Service. Each member is required to give three periods of service to the school each week in his junior year, and five periods in his senior

year. He must also be a member of Tau Epsilon during his semester of application.

This year, the society has taken over the responsibility of the bulletin board on the second floor outside the library, and uses for its theme phases of service and scholarship. Another of National Honor's projects was the selling of candy and cokes at the Fall Production in December.

New members are admitted at a formal candlelighting induction. Membership entitles one to wear the emblem, to wear a gold tassel at graduation, and to have the national seal affixed to his diploma.

Officers for the fall and spring semesters are as follows: Arlene Kemmler and James Telfer, presidents; Jean Lacey and Janet Grimaldi vice-presidents; Helen Crider and Merilynn Baker, secretaries; and Jack Bland and Harold Finn, treasurers. Miss Elizabeth Camutz sponsors the National Honor Society.

The Empehi News Staff, through the publication of their newspaper, the *Empehi News*, brings to the school and to the community entertainment and information regarding school activities.

The editorial staff of the paper is organized around page editors who plan the material, assign the stories to reporters, make up the pages, and write the accompanying headlines.

The prerequisites are an "E" average in studies, one year of Journalism, and a recommendation by the sponsor, Mrs. Florence F. Bier.

Morgan Park's oldest scholastic society, Tau Epsilon, is now in its twenty-seventh year with an enrollment of 250 members.

Under the capable guidance of its officers, Jack Bland and Ken Thatcher, presidents; Carolyn Schuetz and Mary Miller, vice-presidents; Bob Nesbit and Janice Heil, secretaries; and Jane Frank and Donald Boone, treasurers, this group undertook the enormous project of purchasing an organ for the school. Tau Epsilon also sponsored some fudge and waste

paper sales for other money making purposes.

To be eligible for membership in Tau Epsilon, a student must have an "E" average in final grades and four honor points. These points are awarded for each mark of "S", for service to the school, for perfect attendance throughout the semester, and for representing Morgan Park in competitive events.

In order to promote participation in school activities and scholarship, membership must be renewed each semester.

CAN YOU SPARE A DIME?

The Human Relations Service Guild was organized in the fall of 1938 for the purpose of promoting an understanding in community needs.

Upperclassmen, who are interested in charity work and who have maintained a "G" average, are eligible for membership. These active juniors and seniors took part in a large number of collections, some of which were for our boys in Korea, the Community Fund, School

Children's Aid, the T. B. collection, and the March of Dimes. The club also raised money with a successful valentine sale.

Officers for the fall and spring semesters were as follows: Carolyn Schuetz and Elaine Whitnell, presidents; Arlene Kemmler and June Campbell, vice-presidents; and Joan Jankawski and Dorothy Weinfeld, treasurers. The club's sponsor is Miss Ruth Harris.

PROLOGUE

The Footlighters, one of the newly organized clubs at Empehi, was formed to promote interest in drama, and to act as a stepping stone to the more advanced Curtain Club.

Under the guidance of their faculty sponsor, Miss Artingstall, the officers led the group in their many activities. The officers for the year were: Agnes Leenstra, president; Dick Gray,

vice-president; Bob Howard, secretary; and Cathy Westcott, treasurer.

Freshmen and sophomores interested in dramatics are eligible to audition before the club's sponsor and officers.

At each meeting various members entertain the group with skits and other special numbers, to develop as well as encourage public participation.

CLEAN-UP COMMITTEE

CURTAIN TIME!

The prime purposes of the Curtain Club are to promote interest in drama and to provide an outlet for the dramatic ability of the students of Morgan Park.

Under the sponsorship of Mrs. Kathleen Rigby, interest in dramatics was stimulated by the club's participation in various school activities, by the presentation of programs in hospitals — through Red Cross Auspices, and by attendance at the Goodman Theater. Of this year's many performances, the group especially enjoyed presenting a Christmas program for the children at the La Rabida Sanitarium.

Membership in the Curtain Club is open to all Student Association members who qualify in a brief try-out before a judging committee.

Officers for the fall semester were: Michael McKee, president; Elaine Whittell, vice-president; Irene Matthews, secretary; and Dick Jansen, treasurer.

VENIMUS, VIDIMUS, VICIMUS

Founded on April 21, the legendary date of the founding of Rome, Sodalites Latina has been one of Empehi's foremost organizations since 1930. The club has endeavored to further stimulate interest in Roman life and language, and give its members a greater respect for the firm foundation in language which Latin gives them.

An outstanding project of the club is the maintenance of the Robert Jacobs Memorial Fund. This former member of the Latin Club died in the service of his country in World War II. His memory is now kept alive by a fund which provides for the sending of underprivileged boys to summer camp. The Latin Club also sponsored movies at the Beverly, and planned their annual banquet for early in May.

Officers for the fall and spring semesters were as follows: Jim Telfer and John Zachman, presidents; Marilyn Bolitho and Charles McKenna, vice-presidents; Gail Bradbury and Joyce Hinch, secretaries; Marilyn Ford and Dorothy Weinfeld, treasurers.

DER DEUTSCHE VEREIN

Under the direction of Mr. Emil Mortel, the German Club sponsored several movies and sales to raise money for the Public Address System.

Officers for the fall semester of Morgan Park's newest organization were: Pat Halper, president; Dave Frieske, vice-president; Sue Bennett, secretary; and Ken Curtis, treasurer.

Membership in the German Club is restricted to students belonging to the Student Association, who have had one year of German.

This group strives to unite the German students of the school, and to give them a greater appreciation for the language itself.

LA SOCIETE FRANCAIS

The French Club of Morgan Park High School was reorganized in November 1950.

To become eligible for membership, a student must have completed one semester of French. Monthly meetings are conducted entirely in French.

Club officers during the fall semester were as follows: Alice Weber, president; Carle Maier, vice-president; Charlotte Andrews, secretary; and Marlene Pozesky, treasurer.

Under the guidance of Mrs. Helen Corcoran, faculty advisor, the club has successfully promoted interest in the French culture and the language of the people.

i BAILA CARMENCITA!

The Pan American Club, a charter member of the National Student League and organized at Morgan Park in 1938, has a membership of well over one hundred students.

Its constitution provides that a member must have at least one year of Spanish, no final grade below "G", and must belong to the Student Association.

Each year Pan American holds a book sale. The proceeds are used to buy new records, books, and other items for their programs. A tremendously successful cookie sale and Christmas festival were other highlights of this year's many activities. The club officers for the fall semester were: Judy Harrison, president; Jack Kalchbrenner and Anne Coultrip, vice-presidents; Shirley Giger, secretary; and Marianne Migely, treasurer. Again this year, the group was privileged to have Miss Mary Holland as faculty sponsor.

The prime purpose of this organization is to acquaint its members with the language, customs, geography, and history of all Spanish speaking people, by means of moving pictures, records, slides, and speakers.

NEW DREAMERS AND SCHEMERS

The Sophomore Club was created in 1950 to promote a feeling of unity among the second year students, and to give them social and educational outlets. Other purposes of the club were to have sophomore representation in the Student Council, and to continue contacts made in Flounders.

Among this active organization's many projects this past year were several successful dances, and assemblies. The officers for the

fall semester were: Janet Parker, president; Jim Sterling, vice-president; Joyce Hinch, secretary; and Dan Deufel, treasurer. They also devised other money making projects to raise money for the school organ.

To be eligible for membership in this group, a student must be a Student Association member in either his 2B or 2A semester. Mr. Stevenson is the sponsor.

FROM THE BOTTOM UP

Exclusively for the freshmen of Morgan Park is the Flounders Club, organized in 1937 by Miss Athena Fischer. This club has no scholastic standard; the only requirement is membership in the Student Association.

Flounders has won the interest award consecutively for two years. The club's main projects for the '51-'52 season included their annual all-freshman dance, an assembly for the incoming freshmen, and a tea for the members' parents.

During the fall semester, Flounders was led by Albert Hall, president; Dorothy Howard, vice-president; Brian Seavoy, secretary; and

Barbara Brooks, treasurer. Mrs. Edwina Grieser was sponsor of the group.

Flounders' chief purposes are: first, to acquaint the freshmen with the rules, organizations, and student government of the school; second, to develop talents and leadership in the members; and third, to give an opportunity for members to become acquainted with their classmates.

This year, Flounders has again achieved its purposes, for the freshmen have proven, through their large membership, their desire to become an active part of the school.

Applicants receiving a passing grade in swimming need earn only 500 points for membership.

Under the leadership of Miss Wilma Waters, the Emblem Club sponsored a "play-day" for all of the south side high schools at Morgan Park. The girls also acted as hostesses

in the lunch rooms and assisted in refereeing and umpiring girls' intramural volleyball, basketball and baseball games.

The purpose of this club is to promote girls' athletic activities by organizing intramural tournaments, and to create good sportsmanship and an interest for active recreation in later life.

The Boys' Emblem Club of Morgan Park High School has a well-known and efficient organization, for promoting good sportsmanship and school spirit. Only boys who have won a major letter in basketball, football, swimming, or wrestling are eligible for membership.

Under the sponsorship of Mr. Duncan McGregor, the boys aided various school pro-

jects, promoted the annual "All Sports Night" and sold tickets for numerous school activities.

We yell, "Yea . . . Morgan Park" but it's the cheerleaders who charged the football and basketball crowds into rants of victory.

To become a cheerleader, a girl must be an S.A. member, attain at least a "G" in gym, pass all major subjects, and have some tumbling ability. New candidates practice for several weeks with the cheerleaders and are finally selected through elimination proceedings.

This year the girls purchased new cheerleading and tumbling uniforms.

At every football and basketball game, at "All Sports Night", and at the school pep rallies, the girls, with their captains, Diane Roberts and Nancy Carlson, vigorously led the cheers for the Mustangs.

The sponsors are Miss Wilma Waters and Miss Grace Ryan.

P. T. A.

The primary purpose of the Morgan Park High School Parent Teacher Association is to promote the welfare of youth in the home, school, and community. Any parent or citizen who abides by the objectives of the P. T. A. is eligible for membership.

This year the Parent Teacher organization began by including the administrative staff of Empehi, the physical education staff, and the faculty in its programs. To extend their purpose, they also presented "Protecting Our Youth", a discussion of narcotics by Judge Gibson E. Gorman; "Teaching the American Way of Life", by

Mrs. Henrietta Collins; "After High School — What?", by Ass't Sup't of schools of Chicago, Dr. Thaddeus J. Lubera; and "Development of Attitudes and Viewpoints", a student panel discussion.

Officers for the year were as follows: Mrs. Frank H. White, president; Mrs. Arthur Haelig, first vice-president; Mrs. Robert Stiven, second vice-president; Mr. Harry L. Tate, third vice-president; Mrs. John Palsedge, recording secretary; Mrs. D. R. Bright, corresponding secretary; and Mrs. Ronald Palmer, treasurer.

FASCINATING RHYTHM

The blaring of trumpets introduced the musical year of Empehi's enthusiastic Jazz Band.

Under the sponsorship of Mr. John La Cognata, and the leadership of Don Berry, the band has achieved great success in acquainting the student body with the popular phases of music.

Musically inclined students belonging to the Concert Orchestra or Concert Band, and elected by the individual groups with their sponsor, are eligible for membership.

The dance band showed exceptional talent this year at many of the school assemblies and dances. They also played at the Spring Production and at the exchange assembly at South Shore.

Under the leadership of Miss Elaine Skelton, the sixty-nine voices of the Morgan Park A Cappella Choir presented many fine performances during their successful '51-'52 season. Some of these were given at the P.T.A. Open House, the Christmas Assembly, the Veterans' Hospital, the Spring Production, and at the Board of Education during Christmas.

The Choir restricts its membership to students who have been in one of the Junior Choruses and who have passed a voice test.

Officers for the year were: Dave Fewkes, Alice Weber, president; Dorothy McAtee, Grant Pearson, vice-president; and Joe Brownlow, Mary Mingus, secretary-treasurer.

To provide good choral training and appreciation of the best choral literature — is the main purpose of the A Cappella Choir. It is always ready and willing to accommodate school or community requests.

The choir, both on tour and at home, gave performances that will long be remembered by those who heard them.

MELODY TIME

The Girls' Glee Club, under the direction of Mrs. Margaret O'Neill, has been very active this past year — singing for the Morgan Park Women's Club, the Christmas program, the Spring Production, and the City-Wide Contest.

In order to become a member of the Glee Club, a student must have a year of Junior Mixed Chorus or Junior Girl's Chorus. A pleasing voice and a desire to sing are also essentials for membership.

The purpose of the Girls' Glee Club is to attain a deeper appreciation of great choral works, and a higher understanding of vocal harmony.

The officers for the fall and spring semesters respectively were Lois Smisek and Shirley Cole, presidents; Anne Coultrip and Cathy Witte, vice-presidents; Paula Hansen and June Campbell, secretaries; Judy Barrett and Carlie Farwell, treasurers; and Alice Giberson, Shirley Cole, and Paula Hansen, Joanne Rekosh, librarians.

DOWNBEAT...

The members of the Concert Orchestra have shown outstanding talent during the past year.

This group played for assemblies, the annual Spring Production, and, following tradition, the commencement exercises.

Members of the Orchestra are selected from the lower bands, and from among those who have had private lessons.

Mr. John La Cognata, the director, has maintained the orchestra at the same high level of performance that it has held in the past. Jack Bland was president of the orchestra during the past year.

CONCERT BAND

Morgan Park's Concert Band added color and excitement to school assemblies, the P.T.A. shows, the community Memorial Day Parade, and the Spring Production. They were also enthusiastic in highlighting the exciting moments at the football games, and by marching during the half-time periods.

Experience in an intermediate band, and an "O.K." from the band's director, Mr. John La Cognata, are the requirements for membership in the Concert Band.

Last year's officers were as follows: Don Newell, president; Dick Lennon, vice-president; and Jean Lacey, secretary.

Among the band members, there existed a spirit of fun and friendliness that welded the organization together, and made each member strive for perfection.

The house lights dim, the stage lights up, the curtain opens . . . and the show is on! These actions are not automatic, but are the work of the industrious members of the Stage Crew.

This crew has charge of the technical parts of all school assemblies and presentations. Boys interested in these activities must have mechanical ability and maintain a "G" average.

The persons directly responsible for the running of the stage crew during the past year were: Dick Haynes, manager; Oscar Bathe, assistant manager; Charles Michels, electrician; and Barron Easthope, technician. Mrs. Kathleen Rigby is the sponsor of this hard-working group.

Although hampered at times by the lack of sufficient equipment, the stage crew continues working cheerfully and efficiently for the best interests of the school.

The purpose of the Reserve Officers' Training Corps is to teach citizenship and leadership to the cadets, and to assist the school whenever possible.

During the last year, under the instructorship of M/Sgt. Frank Dudiak and M/Sgt. William Von Thaden, the Unit has participated in many competitions, including Picked Platoon, and Rifle Marksmanship.

Among the service groups which performed for the school are the Color Guard, the Honor Guard, the Air Raid and Fire Guard, and the Picked Drill Squad.

The Unit is headed by a cadet commander and his staff. Bennett Humphrey and Richard Haynes, respectively, were the cadet commanders for the past two semesters.

Averaging 23.6 points per game, the Frosh-Soph compiled a season record of 6 wins and 2 losses.

With Howie Anderson at the helm, the Ponies opened their season against Thornton and, due to their lack of experience, dropped a closely contested battle 8-7.

Extra points meant the difference between victory and defeat against Lindblom as Morgan Park broke into the win column 14-12. A loss to Philips and another victory over Lindblom followed. None of the Ponies' remaining games were even close as they romped over C. V. S., South Shore, Hyde Park, and St. Rita.

Long runs and unusual plays characterized the Frosh-Soph's offense. Sophomore prospects moving up to the varsity next year include Ron Gill, sturdy center and dependable linebacker; Howie Anderson, Ponies' signal caller and passing ace; Howie Lindgren, fleet-footed halfback; Bob Morril, and Bill Coultrip. Eleven members of the Frosh-Soph saw action during the last varsity tilt against Parker. Mr. Duncan McGregor handled the coaching duties.

After successive wins over traditionally powerful Thornton and our old rival Calumet, hopes were riding high for a South Section football title at Morgan Park. Metropolitan and neighborhood papers ran pictures of and stories about the Mustangs, who were threatening to take their first major crown since 1933. Student enthusiasm ran wild. M. P. drew Fenger, its cross-town rival, as its opponent in the league opener.

During the pep assembly before the game the cheerleaders displayed their new uniforms. Tickets were sold out and finally the big day arrived. The Titans still reigned supreme, however, and Les Kun, all-state halfback, led the way to a 38-7 triumph.

Undaunted the Mustangs turned back Harper in a pouring rain and trampled Bowen 27-0 to move into third place. With second place and a shot at the playoffs at stake Morgan Park met the Vocational CaValierS. A last minute interception cost Empehi the game.

Still smarting from the C.V.S. battle, the Mustangs encountered South Shore and were held to a 13-13 tie. Parker caused no further trouble and the Mustangs hung up their cleats with a season record of 5 wins, 2 losses, and a tie, to rank fourth in the final league standings.

Ron Redemske, veteran tackle, was awarded the Duffy Sportsmanship trophy, by vote of the squad, and each graduating member of the varsity received a small gold football on a tiny chain to be worn as a pin. Don Bostrom, Mustang signal caller, spearheaded both the ground and aerial attacks and was chosen all-city quarterback (second team) by a staff of Chicago prep football writers. He also received honorable mention in the all-state poll. Coach Robert Antonides acted as head coach, and Charles Dobrath, as assistant.

SENIOR BASKETBALL SQUAD

After dropping their first two encounters to St. Patrick's and Englewood, the Mustangs came to life and swamped Crane, Washburne, and Manley. Christian then moved into the big gym and combined height and accurate shooting to snap Morgan Park's winning streak, 46-43.

The Mustangs faced Fenger in their league opener and easily downed an inferior Titan quintet 46-34. From here on in, however, the Seniors met with little success, and after losing 5 straight to Carver, Parker, Harper, Hirsch, and Hyde Park were rooted deep in tenth place as this article went to press.

Lack of experience cost the Mustangs at least 10 points per game, but next year's squad should develop into a potential South Section contender. Both the Ponies and the Mustangs were under the direction of Coach Charles Dobrath.

JUNIOR BASKETBALL SQUAD

Starting out slow, the Juniors dropped their season opener to St. Patrick's 55-46, but snapped back to whip Englewood 49-47, only to lose their next two starts to Crane and Washburne. A thrilling one point victory over Tilden and an easy 61-50 conquest of Manley gave the Juniors a .500 average and ended their exhibition game schedule.

Thus, with a 3-3 record, the Ponies met Fenger in their first league encounter. The Titans handed M.P. a 55-49 setback and Empehi's title hopes began to fade.

Determination and aggressiveness coupled with the fact that they are composed mostly of two and three year veterans enabled the Ponies to humble Carver 59-56 and begin a drive which has carried them to second place, where they remain with a 5-1 league record as this article goes to press.

After Carver, Parker, Harper, and Hirsch fell before the Ponies' onslaught, midyear graduation claimed their spark-plug and consistent pace setter, Frank Mottley, but they were still able to eek out a close 51-50 win over Hyde Park to keep in the running for South Section honors.

SWIM TEAMS

Due to the new setup by which four teams from the Central Section combined with the South Section, Morgan Park's swim teams faced 11 opponents in their bid for Section honors.

After victories over DuSable, Lindblom, Harrison, and C.V.S., the Juniors, minus co-captain Bob Howard, suffered their only defeat at the hands of Fenger's Titans. Still hoping to capture the league crown, they turned back Parker and Hirsch in their next two starts to climb into second place, where they remain as this article goes to press.

Morgan Park's Seniors broke into the win column only once in their first six tries, a 47-8 triumph over Parker in their sixth meet, falling to ninth place, with little hope of breaking into the first division, as this article goes to press.

Dan Deufel, 40-yd. back stroke artist, placed second for Empehi in the city meets held Dec. 7. The Juniors' four man relay team composed of Bob Howard, Dan Deufel, Bryan Seavoy, and Jim Manning finished fourth in their event.

Coach Dick Tweedie directed both squads.

Weak hitting and lack of a tight defense cost Morgan Park pitchers many a game during the 1951 campaign.

Bill Fewkes twirled a no-hitter to highlight an unimpressive team record of three wins and eleven losses.

Four sophomores saw action in the starting line-up as Coach Tweedie put into effect his "build for the future" policy.

After a year's absence from the links, Morgan Park's golf team came back strong in 1951 to capture the city golf crown.

Successive wins over Hyde Park, Calumet, and Lindblom put the team in a tie with C.V.S., who had previously handed Morgan Park its only setback, for first place and enabled them to enter the semi-finals where they met and easily downed Taft $6\frac{1}{2}$ - $5\frac{1}{2}$.

Only Schurz stood in the way to M.P.'s fourth golf title. Captain Mickey O'Conner shot an 80, Al Cibulski shot a 78, and Ken Gee and Bill Howard came through with scores of 82 and 84, respectively, totalling $7\frac{1}{2}$ team points, 3 more than the Bulldogs' $4\frac{1}{2}$.

A beautiful bronze plaque was presented to the boys who in turn presented it to the school.

Warren Runyan rounded out the championship squad, coached by Duncan McGregor.
